Hamilton

## MORE INFO

### FOOD AND BEVERAGE

The Hamilton Gardens Arts Festival takes pride in being a relaxed whānau-friendly event which encourages and monitors the responsible use of alcohol. There is a permanent liquor ban in place outside of our specially licensed areas from 10pm each night. Unless indicated otherwise within the event listing, HGAF events are strictly no BYO alcohol.

Thanks to our new best friends at Village, there will be a selection of food and drinks available for purchase at the festival from 5pm until close every night. We invite you to come and enjoy a meal with us at the Grassroots Trust Festival Hub while taking in the free live entertainment from the University of Waikato Stage of Enlightenment/Turtle Lake Stage.

### WET WEATHER

Wet Weather venues are in place for events where possible.

Please check the event page on our website or HGAF social media for weather related updates and information. Note, other than Harkness Henry's Emporium of Scintillating Wonders and the Clarence Street Theatre, most venues are outside, so do come prepared for all possible weather situations.
